

Know your flood risk

Know Your Flood Risk is a campaign with a mission to help raise awareness of the issue of flood and encourage practical guidance and support to help protect homeowners and property professionals against the risks.

Why join the campaign?

By signing up to the campaign you will join a community of organisations whose goal is to raise awareness of flood information and the potential risks.

As a collective voice, Know Your Flood Risk and its members aim to raise the profile of flooding and ensure consumers are not only aware of the risks they face, but also how to mitigate them. Know Your Flood Risk is supported by the National Flood Forum, the flood charity who provide support and advice to communities and individuals that have been flooded or are at risk of flooding.

Our free flood screening service

HantsWight Searches are proud members of the Know Your Flood Risk campaign. To help our solicitor clients identify any potential flooding hazards, we now screen properties using Landmark data. As soon as a risk is identified we will send an email notification. This service is free of charge for all HantsWight clients.

If you have any questions around our flood screening service or flood risks in general, please call us on 02392 831 777 or email admin@hantswight.co.uk

Know Your Flood Risk is run in association with:
